FOR IMMEDIATE RELEASE:

Irwin Contracting Inc. Named NARI 2011 Regional Contractor of the Year

Hauppauge, NY, January 21, 2011 - The National Association of the Remodeling Industry (NARI) named Irwin Contracting Inc. 2011 Regional Contractor of the Year (CotY) in the Entire House \$500,001-\$1,000,000 category of its annual awards competition.

President John C. Irwin and his team also took the Platinum CotY Award in the same category this past November 2010 from the NARI NYC/LI Chapter, and are once again extremely honored to achieve this honor for their work. Contractors from seven regions around the country vie for CotY Awards on an annual basis, and all regional winners will now be eligible for the National CotY Awards. Judging is based on problem solving, functionality, aesthetics, craftsmanship, innovation, degree of difficulty and entry presentation.

The home remodeling project consisted of a complete remodel of a ranch home, including a second floor addition. The completed home features a master bedroom suite with four walk-in closets, a gym, and private outdoor terrace accessible from three rooms, overlooking the Great South Bay. A unique, double-sided natural gas fireplace with mounted televisions on both sides provides both function and aesthetic appeal on the first floor.

To be considered for a CotY Award, a company must be a NARI member in good standing. The entries making up this year's competition totaled \$93 million in remodeling projects. NARI members represent an elite group of the approximately 800,000 companies and individuals in the U.S. identifying themselves as remodelers. Competing projects were completed between July 1 of 2009 and November 30 of 2010 and were not submitted in prior NARI National contests.
